

GLOBAL WIND DAY EVENT

Dundalk IT Wind Turbine Open Day, June 14, 1200-1800hrs

Type of event: Information event accompanied by a guided internal viewing of a turbine.

Description: The Dundalk IT wind turbine was erected in 2005, one of the first large commercial wind turbines on a college campus in the world. It provides about half of the Institute's electricity, saving some €150,000 off the DkIT's electricity bills. Every year we open the turbine to the public, so come along and bring the kids!

Location: on the Dundalk IT campus on the south side of Dundalk. Come in the entrance by the Crowne Plaza Hotel.

Date and time: **Sunday June 14, 12 Noon to 6PM**

Cost: Free

Organizer

Name of company: **Centre for Renewable Energy at Dundalk IT (CREDIT)**
