

EU Clean Energy Package

13th April 2018

Location: Clayton Hotel, Liffey Valley

Course Outline

The aim of this programme will be to provide participants with an understanding of the Clean Energy Package's provisions relating to renewable energy.

The focus will be on analysing the key provisions in the Renewables Directive, Governance Regulation and Electricity Regulation and outlining the likely final shape of the legislation.

The sessions will be interactive and will aim to identify the possible impacts on the wind energy sector in Ireland and the wider EU and to explore implementation issues.
